

Preferred Shares

Preferred Shares are designed for conservative investors looking for a steady source of income.

Preferred shares are entitled to a fixed cumulative dividend, expressed either as a percentage of the par value or as a stated dollar amount. Preferred shares are redeemable for a set amount at the end of a fixed term, providing the investor with enhanced security.

Highlights

- Tax efficient regular distributions
- Distributions are fixed, cumulative and preferred
- Actively managed underlying blue chip portfolios
- Yield enhancement and risk reduction through covered call writing
- Shares are retractable and non-callable
- Freely tradeable on Toronto Stock Exchange
